

20 Years of Grace, Blessing and Provision

The traditional 20-year anniversary gift is china – beautiful fine china and the modern gift is platinum.

We did not receive a physical gift for 20 years of church planting, but we, and every donor who has ever supported us, have eternal gifts. Every person who has accepted Christ through our churches and discipleship programs will be in heaven with us one day. Isn't that amazing?

20 years ago while flying over the villages of Malawi in a little 4-seater Cessna airplane, our CEO and Founder, Steven (Fanie) Loots, asked the Lord to grant him the opportunity to work there – to plant churches, train pastors and make disciples.

God is good! The Harvesters Church planting model was born in that same year. We ended the year 2000 with 27 newly planted churches in Malawi and Zambia. Today Harvesters has planted more than 67,000 churches in 63

countries all around the globe. It is amazing to see how multiplication leads to exponential church growth.

One might wonder why church planting is so important and the answer is quite simple: the Church is an agent for change in any community. Only the love of Jesus Christ can change someone's heart.

It is only by God's grace that people's hearts were moved to give towards this ministry; we are eternally grateful for every donor who has ever supported us. Your gifts and prayers have helped to make every one of these 67,000 church plants possible.

We look forward to seeing what God has in store for Harvesters! We trust God for our vision of planting one million churches by 2025. We pray that you will continue to pray and partner with us. 🙏

The Pillars of Harvesters Ministries

Evangelism

Evangelism training at local, indigenous churches.

Discipleship

A free discipleship course opens the way for people to read and understand the Bible for themselves and become grounded in their newfound faith.

Pastoral Training

Training and mentoring to grow sustainable leadership is provided through a three-year course at the Hub Churches.

Bible Distribution

Bibles written in local languages are distributed to new churches in areas where there is a dire shortage, so new Christians can grow in their faith.

Exponential Church Growth

Churches that have the potential to grow to 30–40 churches in 8 years.
