

DISCIPLE MAKERS

Jesus said, "Come follow me and I will send you out to fish for people." – Matthew 4:19

Winning the lost • Changing lives • Transforming communities

The modern church faces many difficulties and challenges, and surveys indicate that the church is shrinking in size and influence. While there are many reasons for the exodus from the church, we often overlook the most basic.

With over 20 years of experience in church-planting, evangelism, discipleship, pastoral training and helping churches grow both in numbers and depth, Harvesters Ministries has developed the DISCIPLE MAKERS course.

Who is this for?

This course is for individual believers seeking to see God work through their lives, and for pastors and leaders who want to see healthy church growth.

How much time will it take?

The eight-hour DISCIPLE MAKERS course examines the methodology and teaching of the early church. These foundations are the building blocks which need to be in place to grow the church and the Kingdom in a biblical way.

Contents of the course

The focus will be on the message and methodology of Jesus for reaching the world with the Gospel, and how your church will grow when we return to the basics. It could even lead to a new wave of biblically based churches!

The DISCIPLE MAKERS course includes an "Evangelism Tool" as well as a Preparation and Follow-Up Plan designed especially for congregations to ensure effective implementation of the principles, and therefore have maximum Kingdom impact!
